News from the Fair Committee

The count down to the Grand Fair is on - only 11 days to go! The stall preparations are well under way and the Fair is shaping up to be a great family day out. There will be lots of activities to entertain the kids throughout the whole day, ranging from the LEGO display, School Art Show, Lunchtime Live performances, kids activities on the oval, the outdoor basketball court, in the hall and around the plaza.

BUT

We need many volunteers for all the stalls - there are literally 100s of hours of volunteer time that needs to be filled. So please hop online and put your name down to help a stall. Simply one or two hours from each family will help. Turn the page for more information on where and how to volunteer.

Dad’s Army is also short of helpers - this group has a big task of setting up on Saturday and packing away on Sunday, if you can spare a couple of hours please contact John on the details over the page.

Bruce can’t wait to see all the families and friends on Sunday March 20th!
