On Sunday March 20th the Ashburton Primary School Community supported another fantastic Grand Fair and enjoyed all that was on offer. We were so fortunate with the weather, given the lead up, that a glorious day unfolded.

Bruce, our Fair Mascot, had a busy day. He was at the Grand Fair opening, on stage with Graham Watt MP. Bruce was seen out and about taking photos and mingling with the crowd. Bruce has had a great time being involved with the Grand Fair and is really looking forward to next year for bigger and better things.

Dunk the Teacher was a great success with a long line of kids ready to try and hit that target to knock the teacher off. Thank you to Mrs Bevis, Mr Bent, Jake, Kylie, Miss Egan and Ueno Sensi for being great sports and volunteering to sit in the Dunk Machine!

Thank you to Ms Western who organised a wonderful Art Show featuring all the students works. We hope you found your work to show off to your family.

We would like to thank the students who supported many aspects of the fair. The LEGO display had another great response, with over 70 entries. This activity for the students has built up over the years and is considered a highlight. Some take many weeks to design, build and craft their models. A huge thank you to the Stage Performers, participating in the Lunchtime Live acts, Choir and Uke group and Band performances. Finally to the Grade 6 volunteers who helped on Fair day – a tradition for the school – your help is really appreciated by the stall holders.

Thank you to the Ashburton Primary School Teachers and staff. With your patience and assistance on so many aspects during the lead up to the fair, then attendance and participation on Fair day, it makes a huge difference to how the fair runs.

We are supported by some wonderful sponsors, some attended Fair day. We would like to thank them, as without these generous donations the fair would not be as successful. All details are on the Grand Fair website, and as many are local businesses, please give them your support if possible.

The Grand Fair is put together by so many dedicated people – those who have been instrumental in collaborating with the administration, marketing and organising – and those that volunteered their time to convene a stall. Without these wonderful people the fair could not be run so smoothly and efficiently.

Finally, on behalf of the Fair Committee, we would like to thank all those that we worked closely with to bring the school a fabulous Grand Fair and to our families who endured their Mums “missing in action” at times during the course of the past few months.

Sarah, Amanda B, Janine & Amanda W.

WELL DONE

$53,000

LEGO WINNERS

Congratulations to all those who contributed to the LEGO Display - we had over 70 entries! Special thanks to Kate Walsh who worked tirelessly over the weekend to set up the display.

Thank you to Lynda from Real Toys in Ashburton who provided the show bags and LEGO prizes.

The winners of the LEGO Display Raffle were drawn at the assembly on the last day of term.

Congratulations:
Jasper Balmer (Prep)
Maya Zeine & Sam Collins (joint creation from Gr 2)

Winner of the “Guess the number of LEGO Blocks” was Sebastian Lammer from Narre Warren North, with the exact amount of 333 blocks!

DAD’S ARMY

“On behalf of the site team I’d like to thank the dads and mums, that were instrumental in assembling and pulling down the fair over the weekend. It’s terrific to have such a dedicated team to help with the effort. A special thanks to those that pitched in on the Sunday afternoon as it’s a tough gig after a very long day (and it helped me get home before 10pm!!). Great effort to all as without you the event would not have gone anywhere as smoothly as it did. Till next year.”
