

Dear parent/guardian,

Ashburton Primary School is looking forward to another great year of teaching and learning and would like to advise you of Ashburton Primary School's voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to provide the environment and resources that we enjoy today. Parent/Carers voluntary contributions make significant difference to the quality of our programs. This financial support ensures that we can continue to provide the excellent range of facilities and resources for your children. Your support in 2022 allowed us to:

- Provide high quality programs and specific subject materials and equipment for: English, Mathematics, Science, Art, Music, Inquiry, Language and PE.
- Maintain and develop the school grounds.
- Ensure the upkeep of our computer devices to enhance learning opportunities.
- Maintain sufficient class sets of books for students to develop their reading skills.
- Provide hands on maths equipment i.e.: measuring materials for teaching purposes.
- Facilitate Literacy and Mathematics online digital subscriptions.
- Deliver a range of sporting equipment.
- Arrange for individual student supplies and class bulk supplies.
